

9th grade supply list for Fall:

ALL STUDENTS WILL NEED TO HAVE A **DECENT** PAIR of HEADPHONES (NOT WIRELESS) that will be kept in my room at all times. Ear buds seem to work best. I will label them and put them in their own baggy.

EVERYONE NEEDS TO BRING \$10 MONDAY. (this pays for their 3 subject notebook that I preordered for their MS studies, world geography and physical science classes they will have with me this semester.
